Creating Inclusive Cities for All Genders

Eng. Jacob Byamukama
Deputy Director Roads Management
Kampala Capital City Authority - UGANDA
KAMPALA

- Function: Political & Commercial Capital, Commercial/Industrial/Administrative Center, Engine of growth for Uganda
- Total Area: 197Km2
- Topography: Hilly
- Population: 3.5 Mil (day), 1.8 Mil (night)
- Concentration of MVs about 60% on 0.083% of area in Uganda
- Vehicle Ownership: 15 per 100
Old Taxi Park: Major Public Transport Transfer
Existing Use of Mobility Infrastructure
Safety Concerns at Existing Crossing Facilities
Planned Improvements:

Current taxi routes have been mapped with a vision to formalize them.
On-going Improvements:

Walkways are being reinstated to provide for safe movements for all genders.
